DESIGN REVIEW

SPATIAL KEY

- 01 Central spawn plaza
- 02 Golden tree sanctuary
- 03 Western development zone
- 04 Eastern development zone
- 05 Waterfall and pool
- 06 Northern residential route
- 07 Western residential route
- 08 Eastern residential route
- 09 Library / lower sky route
- 10 Market / lower sky route
- 11 Southern scenic viewpoint

ISLAND FOOTPRINT: ~75 m × ~65 m

Planning estimate — concept artwork is not a metrically verified orthographic drawing.

PROPOSED SCALE

Player: 1.9 m • Dragon: ~0.8 m
Plaza: 16–18 m diameter
Primary paths: 3–4 m wide
West/East clearings: ≥14 × 13 m / ≥14 × 12 m

ELEVATION LEVELS

L0 Plaza and development clearings: 0 m
L1 Transitional terraces: +3 m
L2 Tree sanctuary: +6 m
Lower sky: roughly −12 to −20 m

VALIDATION HOLD

Bridge landings and stair geometry
Accessible routes and character collision
Path widths and exact zoning boundaries
Verify terrain shape in a 3D blockout

B2.4 draft • Geometry, path clearances, and dimensions are not yet validated. No final construction coordinates are implied.
